

# HAVE FUN WITH THE FAMILY

*A season of surprises awaits you in Oxford University's Gardens, Libraries & Museums. So what are you waiting for? Let's go!*

## SEASONAL TRAILS

SATURDAY 4 APRIL – SUNDAY 19 APRIL

### EGGSTRAORDINARY EASTER TRAIL

Follow clues around the museum and discover links within the collection to children's storytelling past and present. Did some of our objects inspire Philip Pullman? And how is the museum linked with *Lord of the Rings* and *Alice in Wonderland*?

➡ HISTORY OF SCIENCE MUSEUM

Good news! Almost every activity in our entire programme is free to enjoy, so take your pick and get there quick! Maybe you'll make a magical movie toy, learn Morse Code, or take part in botanical experiments. Who knows, perhaps you'll meet a robot or celebrate Chinese Year of the Rat? Whatever you end up doing, remember to have fun, make friends and let your mind grow.
